

Witness Statement of Anne Miller

1 My name is **Queen** Anne Miller. I am the Queen. You probably know who I am
2 because I am so rich and famous. I do not have a job because I am the Queen, so
3 people will bring me anything I want. I am here because that ugly, weird, little creep¹,
4 Rumpelstiltskin, is suing² me after he tried to take my baby.

5 My father and my husband, King Theo, are very good friends. When my father intro-
6 duced us, the King fell in love with me instantly because I am so smart and beautiful.
7 We talked all day and all night for three days, and, after three days, my little Teddy-
8 poo (that's what I call King Theo), asked me to marry him. I said yes because I wanted
9 to be Queen.

10 Some people are saying that my father told the King that I could spin straw into gold,
11 but that is not true. My father never said that. The King wanted gold, and there was
12 a lot of straw, but I had no idea how to turn it into gold. That's when Rumpelstiltskin
13 showed up. I didn't ask for his help—he appeared on his own and asked me for my
14 name. I did not ask him what his name was because I did not care. He told me he
15 could spin the straw into gold, but I think he did it because he wanted to impress me.
16 He looked at me like he was in love with me because I'm so beautiful. I didn't think
17 much of him at first because, well, he's a bit strange and not very handsome, but I let
18 him do it.

19 Rumpelstiltskin did spin the straw into gold, but then he asked for something in return.
20 The first night, I gave him my necklace. The second night, I gave him my ring. I wasn't
21 really sure why he wanted these things, but I just wanted him to go away (he is ugly
22 and weird). I did not care about the necklace and ring because I knew my Teddy-poo
23 would give me anything I wanted. Rumpelstiltskin seemed happy to help me because
24 of how much he liked me because I am so pretty. Maybe he wanted to help me because
25 he knew Teddy-poo liked me.

26 Then, on the third night, he asked for something completely crazy—he said he wanted
27 my first child! I thought he was joking, so I said yes, but I thought it would never
28 actually happen. After my baby was born, I was so happy. But then Rumpelstiltskin
29 came back! He said he wanted to take my baby, like we agreed. I couldn't believe it.
30 I would never let anyone take my child. I begged him not to, and that's when he gave
31 me a chance to guess his name. He said if I could guess his name, he would not take
32 my baby. I started guessing names because it was the only way to keep my baby safe.

33 I never wanted anything from Rumpelstiltskin. He just wanted to show off for me
34 because he thought I was beautiful, and now he's trying to take my baby away!
