

Affidavit of Anne Miller

1 My name is **Queen** Anne Miller. I am the Queen. You probably know who I am because I
2 am so rich and famous. I do not have a job because I am the Queen, so people will bring me
3 anything I want. I am here because that ugly, weird, little creep¹, Rumpelstiltskin, is suing²
4 me after he tried to take my baby.

5 My father and my husband, King Theo, are very good friends. When my father introduced
6 us, the King fell in love with me instantly because I am so smart and beautiful. We talked
7 all day and all night for three days, and, after three days, my little Teddy-poo (that's what
8 I call King Theo), asked me to marry him. I said yes because I wanted to be Queen.

9 Some people are saying that my father told the King that I could spin straw into gold, but
10 that is not true. My father never said that. The King wanted gold, and there was a lot of
11 straw, but I had no idea how to turn it into gold. That's when Rumpelstiltskin showed up.
12 I didn't ask for his help—he appeared on his own and asked me for my name. I did not ask
13 him what his name was because I did not care. He told me he could spin the straw into gold,
14 but I think he did it because he wanted to impress me. He looked at me like he was in love
15 with me because I'm so beautiful. I didn't think much of him at first because, well, he's a
16 bit strange and not very handsome, but I let him do it.

17 Rumpelstiltskin did spin the straw into gold, but then he asked for something in return. The
18 first night, I gave him my necklace. The second night, I gave him my ring. I wasn't really
19 sure why he wanted these things, but I just wanted to get through it. He seemed happy to
20 help me because of how much he liked me because I am so pretty. Maybe he wanted to help
21 me because he knew Teddy-poo liked me.

22 Then, on the third night, he asked for something completely crazy—he said he wanted my
23 first child! I thought he was joking, so I said yes, but I thought it would never actually
24 happen. After my baby was born, I was so happy. But then Rumpelstiltskin came back!

25 He said he wanted to take my baby, like we agreed. I couldn't believe it. I would never let
26 anyone take my child. I begged him not to, and that's when he gave me a chance to guess
27 his name. He said if I could guess his name, he would not take my baby. I started guessing
28 names because it was the only way to keep my baby safe.

29 I never wanted anything from Rumpelstiltskin. He just wanted to show off for me because
30 he thought I was beautiful, and now he's trying to take my baby away!
